Classes Offered:

- Hazmat/Decontamination
- Back to the Basics - Basic Skills
- Pediatric
- Farm Emergencies
- Advanced EMT Module
- Suicide Prevention/QPR

Pre-Conference: January 10, 2014
NEMSA Pre-Function Social: January 10th
NEMSA Awards Banquet: January 11th

Visit: NEMSA.org for brochure and online registration!
General Information:

Registration:
Northwest Side of Holiday Inn at Convention Entrance
Registration desk will be open Friday, 6-8 p.m. and Saturday, 7 a.m.-11 a.m.

Room Reservations:
Holiday Inn: (308) 237-5971 • $77.95 + tax
Hampton Inn: (308) 234-3400 • $77.95 + tax*
Wingate Inn: (308) 237-4400 • $77.95 + tax*
*Continental breakfast for those at Hampton Inn & Wingate Inn.

Water Park available to Holiday Inn guests only.
Inform the Holiday Inn, Hampton Inn, and Wingate Inn that you are attending the Winter Conference on Emergency Care to receive these room rates.

Exhibitor Information:
A wide variety of companies will be exhibiting at the conference in Loper Hall. Prizes from booth drawings will be given away during the Saturday afternoon break, you must be present to win.

Exhibit hours:
Saturday: 7 a.m.-5 p.m.
Sunday: 8 a.m.-11:00 a.m.
All breaks Saturday & Sunday will be in Loper Hall.

Continuing Education:
Students that attend the entire conference will be awarded 9 continuing education hours. Attendance at sessions must be verified by stickers obtained from each class for your continuing education credits. Name tags must be worn in order to attend classes! Please dress in layers. Room temperatures may vary, and as preferences differ, it may be very difficult to keep everyone comfortable in such a large group.

Special Information/Message Center:
The special information and message center, located in the registration area, will be in operation during conference hours. The phone number for the Holiday Inn is (308) 237-5971. We will make every effort to contact you during the conference, especially for any emergency.

Friday Night Pre-conference Social:
Plan to attend the pre-conference social on Friday night from 8:00-10:00 p.m. in Ballrooms I & II. Meet your neighbors and the vendors while you enjoy hors d’oeuvres and a free meal. Families Welcome.

Banquet/Festivities Information:
The banquet is Saturday evening; cash bar will start at 6:30 p.m., the meal, memorial service and awards presentations will start at 7:00 p.m.

Meals:
Your name badge is your meal ticket. Extra meal tickets can be purchased at the registration desk. (Breakfast $8; Lunch $10; Banquet $20)

Evaluations:
Conference participants are asked to fill out the evaluation questionnaire included in their conference registration packet. The time and care taken to fill out the questionnaire will be greatly appreciated when planning next year’s conference. Please turn completed evaluations to the conference staff at the last class.

Church Services:
Religious services will be held within the community. Check registration for times and locations. On Sunday morning at 8:30 a.m., a nondenominational Church service will be held in the Executive Room for those wishing to attend.

For More Information:
Please contact Karen Bowlin at bowlink@mpcc.edu or (308) 289-2745 or Deb Von Seggern at dvonseggern@unmc.edu or (402) 719-0105.

This conference is funded in part by the DHHS-EMS/Trauma Program through funds provided by the Federal Preventive Health Block Grant.

* Register by January 3, 2014 and automatically be entered in a drawing for a FREE registration for the 2015 Conference!

The NEMSA Board would like to thank the Winter Conference Committee for all of their work in making this conference possible.

Affirmative Action/Equal Opportunity Statement
Central Community College does not discriminate on the basis of race, religion, national origin, gender, age, disability, marital status, or military veteran status as is defined by law in employment, admission, scholarship and/or financial aid programs or operation of its educational programs and activities as prescribed by Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Executive Order 11246 as amended, sections 503 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans’ Readjustment Assistance Act of 1974, the Age Discrimination Acts of 1974 and 1975, and other federal and state laws and regulations. Individuals who need accommodations as defined by the Americans with Disabilities Act are invited to make those needs known to an academic adviser, registrar, or student services officer. Inquiries concerning the application of these laws and regulations maybe directed to the Human Resources Office, Central Community College, P.O. Box 4903, Grand Island, NE 68802-4903; (308) 398-7325, or to the director, Office of Civil Rights, U.S. Department of Education, Washington, DC 20201.

Objectives:

Pre-Conference

Service Officer Workshop  
EMS & Trauma Program Staff  
This session will help the learner identify areas for improvement in the management of their EMS agency. The conversation will concentrate on areas that are commonly overlooked and some new changes with EMS Rules & Regulations. The learner will be able to locate resources to aid them in managing their service.

Upon completion the participant will be able to:
1. To make the attendee aware of the resources available to help them manage their agency.
2. To familiarize the attendee with many of the processes involved with managing an EMS agency.
3. To help the attendee identify areas of potential improvement within their agency.

The NAAP track will consist of the Add on Modules for EMT’s. You must attend both sessions of a module to receive credit.

(NAAP) Glucometer  
This class is the curriculum and skills needed for an EMT to be allowed by their Medical Director to perform this advanced EMT skill.

At the completion of this module:
1. State when blood glucose measuring is indicated
2. Demonstrate accurate calibration
3. Demonstrate appropriate procedures for measuring blood glucose
4. Explain proper maintenance, care & storage
5. Discussion of need for a CLIA Waiver

(NAAP) Epinephrine (EpiPen®) and Aspirin  
This class is the curriculum and skills needed for an EMT or EMR to be allowed by their Medical Director to perform this advanced EMT skill.

At the completion of total class the attendee will:
1. Recognize signs and symptoms of life-threatening asthma, anaphylaxis and MI.
2. Describe the emergency medical care for anaphylaxis, asthma and/or an acute MI.
3. Identify when it is appropriate to use Epinephrine or aspirin in the EMS protocols
4. Identify the following about Aspirin and EpiPen®
   a. Generic & trade names
   b. Medication forms
   c. Dose

(NAAP) Nebulized Albuterol  
This class is the curriculum and skills needed for an EMT to be allowed by their Medical Director to perform this advanced EMT skill.

At the completion of this module the student will be able to:
1. Discuss the signs and symptoms of
   a. Emphysema
   b. Chronic Bronchitis
   c. Asthma
2. Discuss the aspects of nebulized Albuterol
3. Demonstrate the correct procedure for delivering medication
4. Given Various scenarios, identify the appropriate delivery method for nebulized Albuterol

This conference is funded in part by the DHHS-EMS Trauma program through funds provided by the Federal Preventive Health Block Grant.
Objectives Continued:

All classes are repeated on Saturday and Sunday.

**Back to Basics – Lincoln Wagner**  
At the end of the presentation attendees will:  
1. Review basic assessment of injuries  
2. Discuss evaluating and treating wounds  
3. Practice management of injuries using splinting and bandage equipment

**Hazmat/Decontamination – Donn Guge**  
Participants will discuss and or practice the following:  
1. Identify potential Haz-mat response  
2. How to determine and maintain isolation and operational zones  
3. Select proper PPE levels and practice suit donning  
4. Discuss notification procedures

**QPR Suicide -- Marty Klein**  
1. Understand the common myths and facts surrounding suicide  
2. Recognize someone at risk of suicide  
3. Identify unique verbal, behavioral, and situational suicide warning signs  
4. Apply QPR with potentially suicidal people  
5. Demonstrate QPR intervention skills

**PETS Course – Margorie Van Riper**  
During the training participants will:  
1. Identify reasons for deterioration in the pediatric population related to trauma and medical issues  
2. Discuss normal parameters of pediatric growth, development, and vitals  
3. Illustrate the use of equipment used in codes and trauma  
4. Demonstrate proper assessment and care of pediatric patients

**Farm Emergencies- Mike Bailey**  
Class Participants at the end of the presentation will:  
1. Understand the principals of a farm emergency and how it is trauma related.  
2. Discuss proper techniques for disentanglement from farm equipment.  
3. Discuss and practice emergency care and treatment of farm emergencies including farm animals.  
4. Recognize and preform assessment on a farm emergency patient.
